Summer Camp – Fun with a Purpose

Summer camp is the focal point of every Boy Scouts outdoor program. This is a time for our youth to take part in challenging activities, skill development, Merit Badge work, building friendships, communing with Mother Nature and of course a healthy dose of good old fun. Since the BSA contributes significant time and resources to summer camps around the country, Harris Interactive was recently asked by BSA to conduct a survey to gain a better understanding on how these summer camps contribute to the development of our youth. As part of the survey, Scouts attending summer camp, adult leaders at summer camp and parents were asked a series of questions.

Scouts attending summer camp viewed the experience as positive. Comments included the following:

- 80% of the Scouts received positive help in their decision making process.
- 56% benefited from time to think about their principles and values.
- 76% said they learned a skill from an adult leader.
- 60% said they were mentored by an adult as they worked on a specific project.
- 78% said they felt they accomplished something worthwhile.
- 94% said they met new people and friends at summer camp.

Adult leaders at summer camp praised the benefits of their experiences. Comments included the following:

- 96% of adult leaders said it helped their Scouts to grow.
- 92% said it helped Scouts to realize their own abilities.
- 91% said they had fun at summer camp.

Parents were also surveyed about their sons experiences at summer camp. Comments included the following:

- 81% of parents said that summer camp resulted in a positive change in their son.
- Parents stated that reasons for positive change included a great overall experience, growth in self-esteem, new skills learned, son became more responsible, and son learned respect for others.

As you can see, summer camp is more than just a place to visit. It is more than a week away from home. Summer camp offers Scouts opportunities to participate in challenging activities, introduces them to rewarding experiences, and provides them with supportive and caring relationships.

Service to your Scouts, your Unit and your Community.

National Summertime Pack Award Program

Cub Scouting is a year round program, and it is the responsibility of every Cub Scout Pack to ensure a quality program even during the summer months. During the summer months Cub Scouts and their families can participate in Scouting activities that are educational and fun. A full summer Pack program also keeps parents involved and provides for a strong Pack. Participating in Summertime activities also gives the Cub Scouts, their Den and the Pack the opportunity to earn the **National Summertime Pack Award**.

To qualify for the National Summertime Pack Award all the Pack has to do is plan and conduct a

monthly Pack activity in June, July and August. Popular summertime activities include visiting parks, zoos, amusement parks, museums, historical sites and local governmental offices. Also remember that beach outings, fishing, hiking, baseball games, train rides, picnics and cookouts are also fun activities.

Recognition for participating in the National Summertime Award program includes:

- Each Scout who takes part in three monthly activities will receive a pin.
- Each Den that has 50% or more Scouts participating in three monthly activities will earn a Den ribbon.
- Each participating Pack will receive an attractive streamer for the Pack flag and a certificate of achievement.

Awards can be applied for immediately after the August activity has been completed. Fill out an application and submit it to the Council Office. Plan your summer activities now.

2016 Campaign

In the first few months of the year, the Orange County Council conducts the annual giving campaign: Friends of Scouting. This is an opportunity to show your financial support to Scouting. You will probably see a speaker at one of your meetings soon to talk about Friends of Scouting and ask for your support. Please consider a gift at that time. While your unit probably does fundraisers to help your programs, the Council also needs your support to continue to offer the programs that supplement your units programs. It costs Orange County Council about \$300 a year for every Scout in the program. This means that Scouts have the opportunity to attend programs at the Newport Beach Sea Base, Oso Lake, Lost Valley and the Outdoor Education Center. Adult Leaders have excellent training opportunities, professional support, and resources. Friends of Scouting also helps to support less fortunate youth through scholarship programs. Your gift to the campaign is priceless when you think about the life or lives your support will be touching. Consider the

opportunities your son has had, and give a gift that will ensure those opportunities for him and hopefully for other youth as well in the future. Thank you for your support.

Cub Day Camp **Exploring Your World**

Calling all Cub Scouts, Webelos and Pack Leaders. Get ready for the "Cub Scout Safari" at this year's Cub Day Camp. Cub Day Camp is scheduled for July 25 to July 29 at St. Hedwig Catholic Church in Los Alamitos.

The Webelos program will include the Readyman, Traveler, Outdoorsman, and Scientist activity badges. The Cub Scout program will include working on achievements in the areas of maps, science, cooking, and flag skills. Add an archery range and some sports belt loops, and there are sure to be tons of fun for all.

Pack Leaders please support Cub Day Camp. As always we are looking for both adult and youth staff members to help coordinate activities. Questions and/or comments are welcome. For more information please contact **Carol Macey** at cmacey2@gmail.com.

2017 National Jamboree

The 2017 National Jamboree is scheduled to take place July 19-28, 2017 at the Summit Bechtel Reserve in West Virginia. Orange County Council is planning on sending 5 Boy Scout Troops and 1 Venture Crew to the Jamboree. The Jamboree website is now active and you can register as a participant or staff member at www.summitbsa.org/events/jamboree/participants/. For more information about the Jamboree please contact **Chuck Williams**, Contingent Chairman, at 714-349-0877 or chaz3rd6@netscape.net.

Jamboree on the Air

Jamboree on the Air (JOTA) is being held October 14-16 and is an annual event in which about 1,000,000 Scouts operating from over 11,000 stations from all over the world make contact with each other by means of amateur radio. Scouting experiences are exchanged and ideas shared, thus contributing to the world brotherhood of Scouting.

Many contacts made during JOTA have resulted in new pen pals and links between Scout Troops that have lasted for many years. To participate in JOTA Scouts first need to contact a properly licensed amateur radio operator for help in getting on the right frequencies. All radio operators must operate their stations strictly in accordance with national licensing regulations.

To initiate a contact the station operators call out "CQ Jamboree" or answer another Scout station making a similar call. It is recommended that stations use the agreed upon World Scout frequencies such as:

K2BSA	Boy Scouts of America, Dallas, TX
JA1YSS	Boy Scout of Japan, Tokyo, Japan
GB2GP	Gilwell Park, London, United Kingdom
HB9S	World Scout Bureau, Geneva, Switzerland
XE1ASM	Boy Scouts of Mexico

Also during the same October 16-18 weekend Scouts will be able to participate in the World Scout Jamboree on the Internet (JOTI). Most of the communication will take place via e-mail and in a chat network called the Internet Relay Chat (IRC). For more information on how to participate in JOTI access www.scout.org/joti.

Lion Scout Pilot Program **Launches August 1 in OCC**

Orange County Council has been selected to participate in a new Lion Scout Pilot program. This new Pilot program is designed for kindergarten boys and will begin in Orange County Council August 1, 2016.

The Lion Scout program is a family program with the boy and his parent or adult caring partner joining Scouts together. A group of 6-8 boys and their adult partner will meet in a group called a Den. Dens will meet twice a month and they will have fun participating in fun activities and special outings.

The Lion Pilot program encourages boys to learn and explore through hands on, high energy activities. Each adult partner takes a turn at leading a Den meeting or outing during the year. The Den meeting plans are provided in the *Lion Parent and Leader Guidebook*. Youth program materials are presented in the *Lion Adventure Book*. Most meetings and activities are approximately 45 minutes long.

Boys are recognized for their accomplishments as they work to complete Adventures. The Lion program is made

up of 12 Adventures with 5 of them being required to earn the Lion Badge.

The uniform for Lion Scouts is designed to be simple and inexpensive and includes a t-shirt and cap. Adult leaders may wear the same t-shirt and cap or follow the Pack's uniform custom.

Since this is a Pilot program, member feedback will be requested throughout the year. For more information please contact Julie Anderson, Orange County Council Activity Director at juliea@ocbsa.org.

Scouting for Food is a service project sponsored by the Boy Scouts of America Orange County Council and the Girl Scout Council of Orange County. Food items may be collected at any time during **Scouting for Food Week, October 30 - November 5**. All food must be

Pinewood Derby An American Classic January 28, 2017

The Orange Frontier District annual Pinewood Derby race will be held Saturday January 28, 2017 at the Westminster Mall. As in past years there will be multiple racing tracks to test your cars abilities. Trophies, certificates and ribbons will be awarded to the winners. Commemorative Pinewood Derby patches will also be available. Start building your new cars now and overhaul those older cars to make them faster. Don't miss the fun. This is a classic Cub Scout event.

Remember these simple standard rules. The weight of your car must be 5 ounces or less, length must be 7 inches, width 2-3/4 inches. Also bottom clearance must be 3/8 inch and width between wheels must be 1-3/4 inches.

For more information contact James Styczynski at james@ocbsa.org.

As part of the new Cub Scout program, the Cub Scout Promise and the Law of the Pack will be retired and replaced with the Scout Oath and the Scout Law. There are a couple of important advancement changes with Tiger Cub becoming Tiger, Webelos I becoming Webelos and Webelos II becoming Arrow of Light. Arrow of Light can now be earned without earning the Webelos rank. Each rank will be earned by completing a series of required and elective Adventures. Cub Scouts will get an Adventure Loop for each Adventure they complete as a Tiger, Wolf and Bear. They will get an Adventure Pin for each activity they complete at the Webelos and Arrow of Light levels. Beads, arrow points, compass points and activity pins will be retired. Academics and Sports programs are discontinued, however, many of the best elements of these programs have been incorporated into the new Adventures.

Also, a new character named Ethan will be introduced in the new handbooks. Ethan will be like an older brother, mentor and role model for the Cub Scouts. He is always a year or two older than the Scout; for example when the Scout is a Tiger, Ethan is a Wolf. Ethan introduces each of the Adventures, shares tips and previews what the boys can look forward to in the future. In the new program there will be a lot less reliance on the Jungle Book characters. Akela will still be a special term used for any leader.

Not everything is changing. The Den and Pack structures, age and gender requirements and the Cub Scout uniform will stay the same. The Cub Scout motto, the sign, salute and the handshake are not changing. Most of all the focus on family involvement is not changing.

The new program goes into effect on June 1, 2015. Boys who join on or after that date will complete their rank advancements using the new Adventure based program. Returning Cub Scouts will move on to the next rank using the new program when their program year starts. Boys who have earned the Webelos badge and are ready to move on to the Arrow of Light have two options. They may continue to work out of the current handbook to complete the Arrow of Light requirements or they may begin using the new Arrow of Light requirements.

For more information visit www.scouting.org and read the new Cub Scout Handbooks and Den Leader Guides.

Changes In Advancement

The 13 biggest changes to advancement. This includes Cub and Boy Scouts. There is also a link to download the new guide

<http://blog.scoutingmagazine.org/2015/04/23/2015-guide-to-advancement-out-now-here-are-13-of-the-biggest-changes/>

What is changing in Boy Scouting? The Scout Spirit requirement for each rank starting with Tenderfoot is expanding to have the Scout describe how he has done his duty to God. (The new requirements will be released at the National Annual Meeting in May.)

When will the new Boy Scout requirements take effect? Jan. 1, 2016. Find more information about the transition plan and requirements at scouting.org/programupdates.

How can I evaluate a Scout for duty to God, especially if he and I have different beliefs? Consider asking him how his family or faith group defines duty to God and how he is living up to that definition. Remember that the focus is on the Scout's understanding of duty to God, not the leader's. Also, keep in mind that duty to God will be only one part of the Scout Spirit requirement.

Do boys have to earn the religious emblem for their faith? No. Not every youth is a member of a faith group, and not all faith groups offer religious emblems. Earning one is not a requirement.

As the BSA's Declaration of Religious Principle states, "The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing an obligation to God and, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and organization or group with which the member is connected shall give definite attention to religious life."

Please contact the advancement team via email if you have questions advancement@orangefrontier.org

Boy Scout Changes New Scout Handbook

Starting January 1, 2016, there will be new changes for the Boy Scout Program. Scout will become an official rank with its own requirements. There will also be some changes in the requirements for all other rank advancements. Additions include:

- Service at all ranks.
- Healthy eating/habits requirements.

- Some reordering in Tenderfoot to First Class.
- Physical Fitness at each rank Tenderfoot to First Class.
- Outdoor ethics – Leave No Trace and Tread Lightly.
- Weather safety, risk assessment and mitigation.
- Duty to God incorporated in requirement to show Scout Spirit.

Youth who joined Boy Scouts prior to January 1, 2016 and are working on the Tenderfoot through First Class ranks may continue to follow the old requirements but must change over to the new requirements upon attaining First Class. Youth who have completed the First Class rank before January 1, 2016 may complete the rank they are currently working on in the old requirements but must change over to the new requirements for subsequent ranks.

Youth joining Boy Scouts after January 1, 2016 must use the new requirements. In 2017 all youth must use the new requirements.

There are no name changes for the other ranks of Tenderfoot through Eagle. There are no changes to Boy Scout uniform. There are no changes to how the merit badge program works. For more information on the changes to the Boy Scout program read the new 13th edition of Boy Scout Handbook which is available in January.

Arrow of Light Transition to Boy Scout Questions You Should Ask

The world of Boy Scouting is packed with fun and excitement with activities like camping, hiking, backpacking, swimming canoeing, sailing, fishing, archery, shotgun shooting, rock climbing and much, much more. It should be the goal of every Cubmaster, WEBELOS Den Leader and Parent to graduate every WEBELOS Scout into a Boy Scout Troop. The best way to learn about the local troops is to visit them and see how they operate. Here is a list of questions you can ask when you visit.

1. Where and when do you meet?
2. How big is your Troop?
3. Is there a published Troop roster?
4. Who is in your Troop (any friends)?
5. Is there a published Troop calendar?

New BSA Adult Leader Policy

On Monday, July 27, 2015 the National Executive Board of Boy Scouts of America ratified a resolution that removes the national restriction on openly gay adult leaders and employees. The resolution was recommended for ratification by the BSA Executive Committee earlier this month.

Effective immediately, chartered organizations will be allowed to select adult leaders without regard to sexual orientation, continuing Scouting's longstanding policy of chartered organizations selecting their leaders. Religious chartered organizations may continue to use religious beliefs as criteria for selecting adult leaders, including matters of sexuality. This change also enables Scouting's members and parents to choose local units, chartered to organizations with similar beliefs, that best meet the needs of their families.

Since 1910, the BSA has relied on chartered organizations to oversee and deliver the Scouting program in local communities. Nationally, Scouting represents approximately 2.4 million youth members and nearly 1 million adult leaders with diverse beliefs. Scouting teaches its youth members and adult leaders to be tolerant and respectful of different religious and moral beliefs, acknowledging that reasonable minds may honorably differ.

Also, please remember that Scouting is not an appropriate environment to discuss sexual conduct, and the BSA will continue to have a strict behavioral standard for its youth members and adult leaders.

Orange County Council will be communicating this information to unit leaders and parents as appropriate. Our Strategic Alliances office has been pro-actively meeting with our faith-based Chartered Organizations to alert them of this policy change and assure their continued partnership.

Please direct all media inquiries to **Jeff Herrmann**, Scout Executive/President.

6. What kind of outings (backpacking, hiking, car camping, etc) do you go on?
7. How often do you go on outings?
8. Where and when are you going to summer camp?
9. Do you have a Troop meeting program?
10. Is the Troop run by youth or adults?
11. Is there good Scout skills instruction for new Scouts?
12. Is the Patrol method used?
13. How are Patrols organized?
14. Is there strong Patrol activity?
15. How many adult leaders are there?
16. Are the adult and youth leaders trained?
17. Is there a Troop newsletter?
18. What are the dues?
19. What is the Troop uniform?
20. What is the advancement record of the Troop?
21. After your visit ask yourself, *Did I feel welcome?*
22. After your visit ask your son, *How do you feel about this Troop?*

BSA Adopt-a-School

The BSA® Adopt-a-School Program offers volunteer services that meet the school's needs. The Adopt-a-School program is an exciting and comprehensive undertaking that will connect Scout packs, troops and crews across the country with schools in their

communities. Participating Scouts then work, within clearly defined guidelines, to partner with school administrations and offer the volunteer services that most efficiently meet their school's needs. With each unit offering their school a minimum one-year commitment, meaningful community relationships are built and significant changes will happen in the schools.

The hope at the heart of Adopt-a-School is to build strong, sustaining relationships with these schools... creating thousands of lasting community partnerships across the U.S. Through committed volunteer efforts – from landscaping and clean-up outside the school building to Scouts' active participation in school events throughout the year – the BSA® will become a defined presence in improving our nation's schools.

The program is open to Cub Scout Packs, Boy Scout Troops and Venturing Crews.

15-Passenger Van Usage Policy Change

Effective September 1, 2015, the use of 15-passenger vans manufactured before 2005 will no longer be allowed in connection with Scouting programs and activities. Fully loaded 15-passenger vans, like the ones you might use to haul a bunch of Scouts to camp, can be more dangerous than you might think. The National Highway Transportation Safety Administration says 15-passenger vans with 10 or more occupants are three times more likely to roll over than ones carrying fewer than five passengers.

Any 2005 or later 15-passenger vans may be used if equipped with Electronic Stability Control and seat belts for all passengers including the driver. This applies to all vehicles, regardless of ownership. For more information, please refer to [the Guide to Safe Scouting](#).

Campfire Story

The Great Mosquito A Tuscarora Legend

Once upon a time there lived a giant mosquito. He was bigger than a bear and more terrifying. When he flew through the air, the sun couldn't be seen and it became dark as night. The zooming of his wings was wilder than a storm. When he was hungry, he would fly into a camp and carry off an Indian or two and pick their bones clean.

Again and again the Tuscarora tried to destroy the wild beast but their arrows fell off him like dew drops off a leaf. They did not know what to do.

So the Great Chief and the medicine men in the tribe ordered a big meeting to pray to their Sky Holder in Heaven to take pity on them and help them destroy the monster mosquito. They burned great fires and they sang, and they danced and they prayed.

The Sky Holder heard their loud cry for help and decided to come to their rescue. He came down from the sky, looking for the monster to do battle with him and destroy him.

The Great Mosquito heard this and knew he could not beat the Sky Holder, so he decided to run away. He flew and he flew and he flew so fast no one could see him. He was faster than lightning. The only sound was the wild zooming of his wings through the air. But Sky Holder was after him just as fast.

The Great Mosquito flew around lakes, over rivers and over mountains toward the East. Sky Holder kept after him, never tiring.

Swiftly and wildly, at the speed of eagles, the Great Mosquito flew toward the Salt Lake and there the Sky Holder reached him. The battle was short and the Great Mosquito was destroyed. His blood splattered and flew in all directions. Then a strange thing happened. From the small blood splatters were born small mosquitoes with sharp stingers.

No sooner were they born than they attacked the Sky Holder without fear. They stung him so hard that he was sorry for what he had done, but he

could not undo it. These small mosquitoes with the sharp stingers multiplied a thousand fold.

It happened long, long ago, but to this day we have thousands of mosquitoes with sharp stingers.

District Uniform Closet

Orange Frontier District has a Uniform closet. The District Uniform Closet is designed to provide assistance to Scouts and their families who need uniforms or equipment supplies. Currently the closet has a very limited supply of items. We are looking for donations such as Scout shirts, pants, socks, belts, and even patches. We are also looking for donations of usable tents, backpacks, hiking boots, stoves and lanterns.

Please bring your old uniforms and camping equipment to Roundtable (2nd Thursday of each month) at 4000 Orange Ave., Anaheim. For more information on how to access the Uniform closet please contact Dave Paulsen at paulsenplace@hotmail.com.

Youth Sponsors Needed

Sponsors for financially disadvantaged youth in Orange Frontier District are needed. Any funds donated will go directly to the youth and will be used to pay for membership fees, handbooks, uniforms, equipment and or camperships. If you know of an individual or business that would like to support our local youth please contact **James Payne** 714.883.7690 or districtchair@orangefrontier.org.

Eagle Board of Review

Candidate Preparation

After a Scout has completed the requirements for the Eagle Scout Rank, he appears before a Board of Review. The Board of Review for the Eagle Scout Rank is different from the other Boards of Review in which the Scout has participated. The members of the Board of Review are not from his Troop Committee. The purpose of the Board of Review is to determine if the candidate has fulfilled all the requirements for the Eagle Rank, to get to know the candidate and his character attributes, understand the Scout's full Scouting experience, and how others can have similar meaningful Scouting experiences. The contents of the Eagle Board of Review are confidential and the proceedings are not to be disclosed to any person who is not a member of the Board of Review.

Members of the Eagle Board of Review can ask a wide variety of questions. There is no set list of questions to be asked, rather the Scouts' experiences will guide the type of questions that will be asked. Holding practice boards of reviews is not recommended by BSA and should be discouraged by the Units. In fact there is a BSA policy, paragraph 8.0.1.0, in the Guide to Advancement that states:

"The BSA discourages mock or practice boards of review. "Practice" reviews may imply that board members will ask predetermined questions or that the board of review is anticipated to be other than a positive experience. Instead, the advancement committee should aim for unrehearsed, spontaneous answers revealing character, citizenship, and personal fitness at the boards of review."

Please remember that the Eagle Board of Review is the Eagle Candidates' special opportunity to shine. Encourage them to be outgoing, upbeat, have a positive attitude and relax. This is an experience they will remember for the rest of their lives.

If you have questions or need more information please contact the Orange Frontier Advancement team at advancement@orangefrontier.org or Contact **Chris Hess**, Advancement Committee Chair, at hessc41@hotmail.com

This Is Scouting - Replaces New Leader Essentials

If you have already taken New Leader Essentials, it is not necessary to take "This is Scouting". You only need to take either one, once in your Scouting career.

Youth Protection Training (YPT)

(Renew Every 2 Years Now)

The Orange Frontier Training Team recommends taking your 1st YPT or VYPT in a class room environment and renewing either via class room or online.

Orange Frontier District Training Spotlight

This is an important note regarding changes in Adult Leader training. The Orange County Council has decided to adopt an **"All registered leaders must be trained policy for 2016"**. What this means to you is that, if you are not trained for your position you will be removed from your unit's charter for 2016. In order to return to your unit's roster you will need to be fully trained and re-register. It also means that if you do not have the appropriate leadership and committee members trained your unit may lose its charter!

As Scouters we all know that having trained leaders is a key to a great program. Please help us fulfill our promise to our youth by getting trained. The OFD training team is most willing to help you achieve your units training goals in hope that no one is dropped from your roster!

Please do your part and support these training changes. These training changes will strengthen our Scouting program and will benefit our youth by making it a safer, more challenging and more memorable experience for them. Training will also improve the quality of the programs and activities delivered to the youth, increase participation of youth in all activities and increase retention of youth in the Scouting program. After all, **every Scout deserves a trained leader.**

For more information on training Adult Leaders please contact **James Payne** 714.883.7690 or districtchair@orangefrontier.org

NOVA Awards

The Boy Scouts of America has introduced a new program to enhance science, technology, engineering and math (STEM) knowledge and experience for our Scouts. This new program is called the NOVA Awards program and is available for Scouts at all levels except Tiger Scouts. Cub Scouts (including Webelos), Boy Scouts and Venturers can now earn 4 NOVA awards, one each for science, technology, engineering and math. Advanced awards called SuperNova Awards can also be earned. Scouts will work with NOVA Counselors and SuperNOVA Mentors to complete requirements for each award.

For more information on award requirements and NOVA Counselor and SuperNOVA Mentor guidelines visit the website www.scouting.org/stem or purchase the NOVA Guidebooks at the Scout Shop.

Remember that Scouting is $\frac{3}{4}$ Outings

I am sure you have heard the old saying that Scouting is $\frac{3}{4}$ Outings but what does that actually mean? It means that you as adult leaders need to support our youth to get them outdoors to visit mother-nature, whether it is camping, backpacking, canoeing, swimming, cycling or rock climbing. Not only are these activities fun and adventurous but they can be challenging and educational as well. Youth learn more about themselves and their friends when they are outdoors. They become more socially adept and gain confidence in themselves as they work together to accomplish tasks. The outdoors is a great place to learn and practice teamwork and leadership

skills. Outdoor activities also present great opportunities to practice first aid skills, improve cooking abilities and enhance the use of map and compass. Let's not forget the benefit of all that physical activity. Lastly, what is more rewarding after an adventurous day than sitting around a nice warm campfire roasting marshmallows and telling stories and jokes until the embers burn down to ash.

Attending Roundtable!**

Come to Roundtable and meet with your Unit Commissioner or just come for the fellowship. Meet other leaders in the district and see what they're doing, where they're going and how they provide and present the program to keep our youth in Scouting.

The entire Roundtable Staff appreciates and thanks everyone for supporting us with your attendance and look forward to seeing you each and every month because you know the **"SYSTEM"---See You Second Thursday Every Month.**

Roundtable Breakouts

Don't forget to bring your friends from your Pack, Troop or Crew to Roundtable. Something is offered for everybody. There are usually several Breakout Sessions after the regular program that cover a wide range of topics. This is a great time to share ideas, learn new things and meet new

people. Also if there is something that you want to learn more about, let us know. We will try and schedule these Breakout Sessions to meet your needs. See you there.

Boy Scouts Roundtable

Roundtable is open to all adults involved with the Boy Scout program.

Registered Troop leaders are especially encouraged to attend. Roundtable provides a forum for adults involved as leaders in the Boy Scout program to:

- Discuss topics of interest, both formally and informally.
- Learn about upcoming District and Council events and programs.
- Meet and exchanges ideas with other leaders from the Orange Frontier District.

Roundtable exists to help the units deliver a quality program to their Scouts. For this to happen, we need to know what topics you want to discuss.

You Make a Difference

There are hundreds of thousands (millions) of boys around the world who can benefit from the Scouting experience. We can't reach them all, but even within our own groups we see our task overwhelming, not making any difference. However, to that one boy in your den, pack, troop or post who looked to you as a role model, a friend, an inspiration (even if he never told you) you've made a difference!

You Do Make A Difference -- in making our world a better place to be....*One Boy At A Time!*

New Religious Emblems Coordinator Positions

BSA has created new Religious Emblems Coordinator positions at the Council, District and Unit levels. The main purposes of these positions are to encourage all youth to earn emblem of their faith, promote religious emblems usage, and establish goals and track the number of religious emblems completed each year. Volunteers for these positions don't have to be theologians, just a parent or a leader with a passion for helping Scouts grow in knowledge and love of their faith.

For more information please visit www.praypub.org/rec. For more information about Scouting's religious awards program and Duty to God, please visit: www.scouting.org/scoutsource/Awards/ReligiousAwards.aspx

Leave No Trace

As we prepare for a great summer full of outdoor activities let us remember the principles of the Leave No Trace Program. Leave No Trace is the nation's official wilderness ethics program. Leave No Trace is a partnership that includes four federal agencies (US Forest Service, National Park Service, Bureau of Land Management and US Fish and Wildlife Service), educational programs and youth organizations such as the Boy Scouts of America. BSA has adopted this program as an important educational tool for guiding its members in appropriate ways to use and protect the outdoors. The program is managed by a nonprofit organization called Leave No Trace, Inc.

Leave No Trace is the practice of traveling and camping with care when visiting wildlands. It requires that we deliberately plan and guide our outdoor experiences so that we do not harm the environment or disturb others. The principles of Leave No Trace are summarized as follows:

1. Plan ahead and prepare.
2. Travel and camp on durable surfaces.
3. Dispose of waste properly.
4. Leave what you find.
5. Minimize campfire impacts.
6. Respect wildlife.
7. Be considerate of other visitors.

There is a Leave No Trace Awareness Award Patch that Scouts can earn by completing the following requirements:

- Recite and explain the principles of Leave No Trace.
- On 3 separate camping/backpacking trips demonstrate and practice the principles of Leave No Trace.
- Earn the Camping and Environmental Science merit badges.
- Participate in a Leave No Trace related service project.
- Give a 10 minute presentation on a Leave No Trace topic approved by your Scoutmaster.
- Draw a poster or build a model to demonstrate the differences in how we camp or travel in high use and pristine areas.

Orange Frontier High Adventure Training Rock Climbing to New Heights

Orange Frontier District promotes High Adventure for the Youth served in our District. Rock Climbing is physically challenging for both youth and adults. Tom Olszewski held the position of Climbing Director for our district for many years. He has trained hundreds of volunteers to equip them for the task of providing safe High Adventure Programs to our units of Orange Frontier. Tom Olszewski a Philmont Ranch trained director who brought to these Scouters the skill and knowledge to handle a safe outing is now ready to retire and pass the reins. Tom demonstrated knot tying, anchoring systems, repelling techniques, belaying practices and equipment. Scouters learned or refreshed themselves with these skills and knowledge annually. Additionally students discussed climbing locations, equipment handling and accountability. We are seeking the right individual to take those reins and serve as our climbing director. You will need to certify one week at Philmont Training Center. If you are interested please contact James W Payne for an interview. We have a scholarship if needed to get you to Philmont. While experience is not required, it is beneficial. Age requirements of someone over age 21. We do expect a two year commitment.

If your Troop wants a Rock experience you can contact one of these trained Scouters to arrange an outing and Merit Badge session.

Journey to Excellence Scouting's Quality Improvement Program

The *Journey to Excellence* is BSA's performance recognition program designed to encourage and reward success and measure the performance of our Packs, Troops, Teams and Crews.

The Journey to Excellence program is a continuous quality improvement tool to be used by all Units.

For each Unit there is a framework presented as a series of goals, which serves as a method for evaluating your Units performance. The goals assess the Units performance in key areas that include advancement, camping, service projects, training, membership, retention, leadership, budget, etc. These areas have been selected because they are indicators of Unit strength and health. In each of these areas the Units performance is rated as Bronze, Silver or Gold or did not meet the minimum standard. Points are assigned for each goal for achieving Bronze, Silver and Gold levels. The more important goals have higher point values. The points are then added up to determine the Units total score and overall rating. Packs must achieve 525 points for the Bronze level, 800 points for the Silver level and 1050 points for the Gold level. Troops must achieve 525 points for the Bronze level, 750 points for the Silver level and 1000 points for the Gold level. Crews must achieve 550 points for the Bronze level, 800 points for the Silver level and 1100 points for the Gold level. All materials can be found at www.scouting.org/volunteer and click on Scouting's Journey to Excellence found under quick links.

Each Unit should set its goals while re-chartering so that they are in place at the beginning of the year and then review their progress throughout the year. This will provide guidance for the Units and hopefully continuous improvement in areas where they might strive to do better. It also provides recognition for good performance. Recognition items will be provided.

Orange Frontier District and Orange County Council also have a Journey to Excellence program to help in evaluating their performance. Goals are similar in nature but pertain to their operations and responsibilities.

Please remember that better Unit, District and Council performance means better Scouting for our youth. We are building a better Scouting program for more Scouts.

Amazon.com Supports Scouting

As if you needed another excuse to shop at Amazon.com. Now every purchase you make from the Earth's biggest online store can support the charity of your choice, including Scouting. Through its new Amazon Smile program, Amazon will donate 0.5 percent of the price of your eligible purchase to the 501(c)(3) public charitable organization of your choice. Sure, half a percent isn't much and won't replace your Friends of Scouting contributions that help Scouting function in your community. But it adds up, costs you nothing and is a great additional way to support Scouting. The one-time setup takes just a couple of seconds, and you get the same prices, products and service you're used to when shopping at Amazon. It doesn't cost you any extra; the only difference is now you're helping Scouting every time you buy. The set up steps are simple:

1. Go to smile.amazon.com
2. Sign in using your normal login.
3. Search for Boy Scouts of America.
4. Find your local Council.
5. Check the top left corner.
6. Double check that the products you are buying are eligible.
7. Check out.

The Boy Scouts of America's National Council and its nearly 300 local Councils all are eligible charities. Remember, do a good turn for Orange County Council when you shop on Amazon.

Volunteers are always needed in the Orange Frontier District. If you would like to have fun with a great group of people please contact James Payne or Debbie Lewicki.

Orange Frontier District Staff Is Here to Help You

are here
four primary areas.

Everyone has a friend in Scouting. Scouting is the world's greatest program with the world's greatest people. The Orange Frontier District Staff is proud to support 70 Units with almost 1800 registered Scouts meeting a wide array of needs. OFD is staffed with some of the most experienced Scouters in the Council who to support all Packs, Troops and Crews in

Most Scouters can easily relate to the **Program and Activities** area. District Programs and Activities directly engage our youth in quality events such as the Pinewood Derby, Camp-O-Ree, Webelos-Ree, Cub Day Camp, and Webelos Woods. These outdoor events help our youth develop skills, promote leadership and teamwork, provide physical activity and create hours of endless fun. Training opportunities are also provided for adult leaders.

Membership and Recruiting volunteers help to keep our Units strong and provide growth opportunities in our local community. Spring and Fall recruiting assistance is provided to help Units maintain their strength. Support and organizational help is provided to struggling Units that need to restart. New Units are organized to meet the needs of youth in the community. Relationships are cultivated with potential chartered organizations in the community.

The **Finance** area provides a means of monetary support for the Units, the District and the Council. Since BSA is a non-profit organization funds need to be raised by volunteers to provide support. The Friends of Scouting campaign raises funds to help ensure that we have strong facilities available for use with our Scout activities. Popcorn sales, Scout-O-Rama ticket sales, and Scout-O-Rama Souvenir Program Ads (SPA) provide a means for Packs, Troops, and Crews to fundraise as well as support the local Council facilities.

The **Commissioner Staff** is the customer service branch of the District. Unit Commissioners provide information exchange, give assistance with Unit rechartering, help Units to achieve Centennial Quality Unit status and assist in problem solving. Roundtable Commissioners provide monthly supplemental programs and training for all Pack, Troop and Crew adult leaders. Roundtable is also information central as fliers are available for all events and activities.

All of these areas work together in a uniquely balanced way to provide a quality Scouting experience for our youth. Strong **Membership** creates strong **Programs** and together they generate volunteer Leadership with **Customer Service** and **Financial** support. A special relationship is developed among volunteers in our District Staff and we would like to keep this spirit alive for future generations of Scouts. If you would like more information on how District Staff can serve you, please feel free to contact any of our Key 3 Leaders: James Styczynski, District Executive, at james@ocbsa.org or James Payne, District Chairperson, at jwpayne2@mail.com or Debbie Lewicki, District Commissioner, at debratjayne@gmail.com.
