District Chair's Corner

Think Safety this Summer

The Sweet Sixteen of BSA Safety Summer is finally here and all the Packs, Troops and Crews have plans to be in the outdoors and enjoy Mother Nature. As we prepare for a great summer full of outdoor activities let us remember to be safe in our activities. As an

aid to protect participants in Scout activities, the BSA National Health & Safety Committee and the Council Services Division of the BSA National Council have developed the "Sweet Sixteen" of BSA safety procedures for physical activity. These 16 points are summarized as follows:

1. QUALIFIED SUPERVISION

Every BSA activity should be supervised by a conscientious adult who understands and knowingly accepts responsibility for the well-being and safety of the children and youth in his or her care. The supervisor should be sufficiently trained, experienced and skilled in the activity to be confident of his/her ability to lead and to teach the necessary skills and to respond effectively in the event of an emergency. Field knowledge of all applicable BSA standards and a commitment to implement and follow BSA policy and procedures are essential parts of the supervisor's qualifications.

2. PHYSICAL FITNESS

For youth participants in any potentially strenuous activity, the supervisor should receive a complete health history from a health care professional, parent or guardian. Adult participants and youth involved in higher-risk activity (e.g., scuba) may require professional evaluation in addition to the health history. The supervisor should adjust all supervision, discipline and protection to anticipate potential risks associated with individual health conditions. Neither youth nor adults should participate in an activity for which they are unfit. To do so would place both the individual and others at risk.

3. BUDDY SYSTEM

The long history of the "buddy system" in Scouting has shown that it is always best to have at least one other person with you and aware at all times as to your circumstances and what you are doing in any outdoor or strenuous activity.

4. SAFE AREA OR COURSE

A key part of the supervisor's responsibility is to know the area or course for the activity and to determine that it is well-suited and free of hazards.

5. EQUIPMENT SELECTION AND MAINTENANCE

Most activity requires some specialized equipment. The equipment should be selected to suit the participant and the activity and to include appropriate safety and program features. The supervisor should also check equipment to determine that it is in good condition for the activity and is properly maintained while in use.

6. PERSONAL SAFETY EQUIPMENT

The supervisor must ensure that every participant has and uses the appropriate personal safety equipment. For example, activity afloat requires a PFD properly worn by each participant; bikers, horseback riders, and whitewater kayakers need helmets for certain activity; skaters may need protective gear; and all need to be dressed for warmth and utility depending on the circumstances.

7. SAFETY PROCEDURES AND POLICIES

For most activities there are common sense procedures and standards that can greatly reduce the risk. These should be known and appreciated by all participants, and the supervisor must ensure compliance.

8. SKILL LEVEL LIMITS

There is a minimum skill level requirement for every activity, and the supervisor must identify and recognize this minimum skill level and be sure that none are put at risk by attempting activity beyond their ability. A good example of skill levels in Scouting is the venerable swim test which defines conditions for safe swimming based on individual ability.

9. WEATHER CHECK

The risk factors in many outdoor activities vary substantially with weather conditions. These variables and the appropriate response should be understood and anticipated.

10. PLANNING

Safe activity follows a plan that has been conscientiously developed by the experienced supervisor or other competent source. Good planning minimizes risks and also anticipates contingencies that may require emergency response or a change of plan.

11. COMMUNICATIONS

The supervisor needs to be able to communicate effectively with participants as needed during the activity. Emergency communications also need to be considered in advance for any foreseeable contingencies.

12. PLANS AND NOTICES

BSA tour and activity plans, council office registration, government or landowner authorization, and any similar

formalities are the supervisor's responsibility when such are required. Appropriate notification should be directed to parents, enforcement authorities, landowners, and others as needed, before and after the activity.

13. FIRST AID RESOURCES

The supervisor should determine what first aid supplies to include among the activity equipment. The level of first aid training and skill appropriate for the activity should also be considered. An extended trek over remote terrain obviously may require more first aid resources and capabilities than an afternoon activity in the local community. Whatever is determined to be needed should be available.

14. APPLICABLE LAWS

BSA safety policies generally parallel or go beyond legal mandates, but the supervisor should confirm and ensure compliance with all applicable regulations.

15. CPR RESOURCE

Any strenuous activity or remote trek could present a cardiac emergency. Aquatic programs may involve cardiopulmonary emergencies. The BSA strongly recommends that a CPR-trained person (preferably an adult) be part of the leadership for any BSA program. Such a resource should be available for strenuous outdoor activity.

16. DISCIPLINE

No supervisor is effective if he or she cannot control the activity and the individual participants. Youth must respect their leader and follow his or her direction.

Enjoy your summer and automatically think safety when you go on an outing or activity. For more information please access the BSA National web site at <http://www.scouting.org/scoutsource/HealthandSafety/Resources/sweet16.aspx>

National Summertime Pack Award Program

Cub Scouting is a year round program, and it is the responsibility of every Cub Scout Pack to ensure a quality program even during the summer months. During the summer months Cub Scouts and their families can participate in Scouting activities that are educational and fun. A full summer Pack program also keeps parents involved and provides for a strong Pack. Participating in Summertime activities also gives the Cub Scouts, their Den and the Pack the opportunity to earn the **National Summertime Pack Award**.

To qualify for the National Summertime Pack Award all the Pack has to do is plan and conduct a monthly Pack activity in June, July and August. Popular summertime activities include visiting parks, zoos, amusement parks, museums, historical sites and local governmental offices. Also remember that beach outings, fishing, hiking, baseball games, train rides, picnics and cookouts are also fun activities.

Recognition for participating in the National Summertime Award program includes:

- Each Scout who takes part in three monthly activities will receive a pin.
- Each Den that has 50% or more Scouts participating in three monthly activities will earn a Den ribbon.
- Each participating Pack will receive an attractive streamer for the Pack flag and a certificate of achievement.

Awards can be applied for immediately after the August activity has been completed. Fill out an application and submit it to the Council Office. Plan your summer activities now.

2016 Campaign

In the first few months of the year, the Orange County Council conducts the annual giving campaign: Friends of Scouting. This is an opportunity to show your financial support to Scouting. You will probably see a speaker at one of your meetings soon to talk about Friends of Scouting and ask for your support. Please consider a gift at that time. While your unit probably does fundraisers to help your programs, the Council also needs your support to continue to offer the programs that supplement your units programs. It costs Orange County Council about \$300 a year for every Scout in the program. This means that Scouts have the opportunity to attend programs at the Newport Beach Sea Base, Oso Lake, Lost Valley and the Outdoor Education Center. Adult Leaders have excellent training opportunities, professional support, and resources. Friends of Scouting also helps to support less fortunate youth through scholarship programs. Your gift to the campaign is priceless when you think about the life or lives your support will be touching. Consider the opportunities your son has had, and give a gift that will ensure those opportunities for him and hopefully for other youth as well in the future. Thank you for your support.

Jamboree on the Air

Jamboree on the Air (JOTA) is being held October 14-16 and is an annual event in which about 1,000,000 Scouts operating from over 11,000 stations from all over the world make contact with each other by means of amateur radio. Scouting experiences are exchanged

and ideas shared, thus contributing to the world brotherhood of Scouting.

Many contacts made during JOTA have resulted in new pen pals and links between Scout Troops that have lasted for many years. To participate in JOTA Scouts first need to contact a properly licensed amateur radio operator for help in getting on the right frequencies. All radio operators must operate their stations strictly in accordance with national licensing regulations.

To initiate a contact the station operators call out "CQ Jamboree" or answer another Scout station making a similar call. It is recommended that stations use the agreed upon World Scout frequencies such as:

K2BSA	Boy Scouts of America, Dallas, TX
JA1YSS	Boy Scout of Japan, Tokyo, Japan
GB2GP	Gilwell Park, London, United Kingdom
HB9S	World Scout Bureau, Geneva, Switzerland
XE1ASM	Boy Scouts of Mexico

Also during the same October 16-18 weekend Scouts will be able to participate in the World Scout Jamboree on the Internet (JOTI). Most of the communication will take place via e-mail and in a chat network called the Internet Relay Chat (IRC). For more information on how to participate in JOTI access www.scout.org/joti.

Lion Scout Pilot Program Launches August 1 in OCC

Orange County Council has been selected to participate in a new Lion Scout Pilot program. This new Pilot program is designed for kindergarten boys and will begin in Orange County Council August 1, 2016.

The Lion Scout program is a family program with the boy and his parent or adult caring partner joining Scouts together. A group of 6-8 boys and their adult partner will meet in a group called a Den. Dens will meet twice a month and they will have fun participating in fun activities and special outings.

The Lion Pilot program encourages boys to learn and explore through hands on, high energy activities. Each adult partner takes a turn at leading a Den meeting or outing during the year. The Den meeting plans are provided in the *Lion Parent and Leader Guidebook*. Youth program materials are presented in the *Lion Adventure Book*. Most meetings and activities are approximately 45 minutes long.

Boys are recognized for their accomplishments as they work to complete Adventures. The Lion program is made up of 12 Adventures with 5 of them being required to earn the Lion Badge.

The uniform for Lion Scouts is designed to be simple and inexpensive and includes a t-shirt and cap. Adult leaders may wear the same t-shirt and cap or follow the Pack's uniform custom.

Since this is a Pilot program, member feedback will be requested throughout the year. For more information please contact Julie Anderson, Orange County Council Activity Director at juliea@ocbsa.org.

Cub Scouts is Changing More Adventure Ahead

Effective June 1, BSA is making sweeping changes to the Cub Scout program to make it more fun and engaging. The new adventure based program focuses on learning by doing and emphasizes fun activities that will be more aligned with the Aims and Mission of Scouting.

As part of the new Cub Scout program, the Cub Scout Promise and the Law of the Pack will be retired and replaced with the Scout Oath and the Scout Law. There are a couple of important advancement changes with Tiger Cub becoming Tiger, Webelos I becoming Webelos and Webelos II becoming Arrow of Light. Arrow of Light can now be earned without earning the Webelos rank. Each rank will be earned by completing a series of required and elective Adventures. Cub Scouts will get an Adventure Loop for each Adventure they complete as a Tiger, Wolf and Bear. They will get an Adventure Pin for each activity they complete at the Webelos and Arrow of Light levels. Beads, arrow points, compass points and activity pins will be retired. Academics and Sports programs are discontinued, however, many of the best elements of these programs have been incorporated into the new Adventures.

Also, a new character named Ethan will be introduced in the new handbooks. Ethan will be like an older brother, mentor and role model for the Cub Scouts. He is always a year or two older than the Scout; for example when the Scout is a Tiger, Ethan is a Wolf. Ethan introduces each of the Adventures, shares tips and previews what the boys can look forward to in the future. In the new program there will be a lot less reliance on the Jungle Book characters. Akela will still be a special term used for any leader.

Not everything is changing. The Den and Pack structures, age and gender requirements and the Cub Scout uniform will stay the same. The Cub Scout motto, the sign, salute and the handshake are not changing. Most of all the focus on family involvement is not changing.

The new program goes into effect on June 1, 2015. Boys who join on or after that date will complete their rank advancements using the new Adventure based program. Returning Cub Scouts will move on to the next rank using the new program when their program year starts. Boys who have earned the Webelos badge and are ready to move on to the Arrow of Light have two options. They may continue to work out of the current handbook to complete the Arrow of Light requirements or they may begin using the new Arrow of Light requirements.

For more information visit www.scouting.org and read the new Cub Scout Handbooks and Den Leader Guides.

Changes In Advancement

The 13 biggest changes to advancement. This includes Cub and Boy Scouts. There is also a link to download the new guide

<http://blog.scoutingmagazine.org/2015/04/23/2015-guide-to-advancement-out-now-here-are-13-of-the-biggest-changes/>

What is changing in Boy Scouting? The Scout Spirit requirement for each rank starting with Tenderfoot is expanding to have the Scout describe how he has done his duty to God. (The new requirements will be released at the National Annual Meeting in May.)

When will the new Boy Scout requirements take effect? Jan. 1, 2016. Find more information about the transition plan and requirements at scouting.org/programupdates.

How can I evaluate a Scout for duty to God, especially if he and I have different beliefs? Consider asking him how his family or faith group defines duty to God and how he is living up to that definition. Remember that the focus is on the Scout's understanding of duty to God, not the leader's. Also, keep in mind that duty to God will be only one part of the Scout Spirit requirement.

Do boys have to earn the religious emblem for their faith? No. Not every youth is a member of a faith group, and not all faith groups offer religious emblems. Earning one is not a requirement.

As the BSA's Declaration of Religious Principle states, "The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing

an obligation to God and, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and organization or group with which the member is connected shall give definite attention to religious life."

Please contact the advancement team via email if you have questions advancement@orangefrontier.org

Boy Scout Changes New Scout Handbook

Starting January 1, 2016, there will be new changes for the Boy Scout Program. Scout will become an official rank with its own requirements. There will also be some changes in the requirements for all other rank advancements. Additions include:

- Service at all ranks.
- Healthy eating/habits requirements.
- Some reordering in Tenderfoot to First Class.
- Physical Fitness at each rank Tenderfoot to First Class.
- Outdoor ethics – Leave No Trace and Tread Lightly.
- Weather safety, risk assessment and mitigation.
- Duty to God incorporated in requirement to show Scout Spirit.

Youth who joined Boy Scouts prior to January 1, 2016 and are working on the Tenderfoot through First Class ranks may continue to follow the old requirements but must change over to the new requirements upon attaining First Class. Youth who have completed the First Class rank before January 1, 2016 may complete the rank they are currently working on in the old requirements but must change over to the new requirements for subsequent ranks.

Youth joining Boy Scouts after January 1, 2016 must use the new requirements. In 2017 all youth must use the new requirements.

There are no name changes for the other ranks of Tenderfoot through Eagle. There are no changes to Boy Scout uniform. There are no changes to how the merit badge program works. For more information on the changes to the Boy Scout program read the new 13th edition of Boy Scout Handbook which is available in January.

Arrow of Light Transition to Boy Scout Questions You Should Ask

The world of Boy Scouting is packed with fun and excitement with activities like camping, hiking, backpacking, swimming canoeing, sailing, fishing, archery, shotgun shooting, rock climbing and much, much more. It should be the goal of every Cubmaster, WEBELOS Den Leader and Parent to graduate every WEBELOS Scout into a Boy Scout Troop. The best way to learn about the local troops is to visit them and see how they operate. Here is a list of questions you can ask when you visit.

1. Where and when do you meet?
2. How big is your Troop?
3. Is there a published Troop roster?
4. Who is in your Troop (any friends)?
5. Is there a published Troop calendar?
6. What kind of outings (backpacking, hiking, car camping, etc) do you go on?
7. How often do you go on outings?
8. Where and when are you going to summer camp?
9. Do you have a Troop meeting program?
10. Is the Troop run by youth or adults?
11. Is there good Scout skills instruction for new Scouts?
12. Is the Patrol method used?
13. How are Patrols organized?
14. Is there strong Patrol activity?
15. How many adult leaders are there?
16. Are the adult and youth leaders trained?
17. Is there a Troop newsletter?
18. What are the dues?
19. What is the Troop uniform?
20. What is the advancement record of the Troop?
21. After your visit ask yourself, *Did I feel welcome?*
22. After your visit ask your son, *How do you feel about this Troop?*

New BSA Adult Leader Policy

On Monday, July 27, 2015 the National Executive Board of Boy Scouts of America ratified a resolution that removes the national restriction on openly gay adult leaders and employees. The resolution was recommended for ratification by the BSA Executive Committee earlier this month.

Effective immediately, chartered organizations will be allowed to select adult leaders without regard to sexual orientation, continuing Scouting's longstanding policy of chartered organizations selecting their leaders. Religious chartered organizations may continue to use religious beliefs as criteria for selecting adult leaders, including matters of sexuality. This change also enables Scouting's members and parents to choose local units, chartered to organizations with similar beliefs, that best meet the needs of their families.

Since 1910, the BSA has relied on chartered organizations to oversee and deliver the Scouting program in local communities. Nationally, Scouting represents approximately 2.4 million youth members and nearly 1 million adult leaders with diverse beliefs. Scouting teaches its youth members and adult leaders to be tolerant and respectful of different religious and moral beliefs, acknowledging that reasonable minds may honorably differ.

Also, please remember that Scouting is not an appropriate environment to discuss sexual conduct, and the BSA will continue to have a strict behavioral standard for its youth members and adult leaders.

Orange County Council will be communicating this information to unit leaders and parents as appropriate. Our Strategic Alliances office has been pro-actively meeting with our faith-based Chartered Organizations to alert them of this policy change and assure their continued partnership.

Please direct all media inquiries to **Jeff Herrmann**, Scout Executive/President.

BSA Adopt-a-School

The BSA® Adopt-a-School Program offers volunteer services that meet the school's needs. The Adopt-a-School program is an exciting and comprehensive undertaking that will connect Scout packs, troops and crews across the country with schools in their communities. Participating Scouts then work, within clearly defined guidelines, to partner with school administrations and offer the volunteer services that most efficiently meet their school's needs. With each unit offering their school a minimum one-year commitment, meaningful community relationships are built and significant changes will happen in the schools.

The hope at the heart of Adopt-a-School is to build strong, sustaining relationships with these schools... creating thousands of lasting community partnerships across the U.S. Through committed volunteer efforts – from landscaping and clean-up outside the school building to Scouts' active participation in school events throughout the year – the BSA® will become a defined presence in improving our nation's schools.

The program is open to Cub Scout Packs, Boy Scout Troops and Venturing Crews.

15-Passenger Van Usage Policy Change

Effective September 1, 2015, the use of 15-passenger vans manufactured before 2005 will no longer be allowed in connection with Scouting programs and activities. Fully loaded 15-passenger vans, like the ones you might use to haul a bunch of Scouts to camp, can be more dangerous than you might think. The National Highway Transportation Safety Administration says 15-passenger vans with 10 or more occupants are three times more likely to roll over than ones carrying fewer than five passengers.

Any 2005 or later 15-passenger vans may be used if equipped with Electronic Stability Control and seat belts for all passengers including the driver. This applies to all vehicles, regardless of ownership. For more information, please refer to [the Guide to Safe Scouting](#).

Campfire Story Climbing the Mountain

Long, long ago in a far away Indian village at the base of a towering mountain there was a wise old Indian Chief. The Chief was a strong leader and as a result the village grew and prospered. There were many young boys in the village and they were ready to display their manhood by climbing the neighboring mountain. It was considered a great feat to climb to the top of this mountain.

One day, the Chief said, "Now boys, you may all go today and try to climb the mountain. Start right after breakfast, and go each of you as far as you can. Then when you are tired, come back; but let each one bring me a twig from the place where he turned."

Away they went, full of energy and hope, each feeling that he surely could reach the top.

Soon afterwards a short stocky boy came slowly back, puffing and sweating. He stood before the Chief, and in his hand he held out a piece of cactus.

The Chief smiled and said, "My boy, you did not reach the foot of the mountain; you did not even get across the desert."

An hour later a second boy returned. He carried a twig of sagebrush.

"Well," said the Chief, "you reached the mountain's foot, but you did not even start the climb."

After another hour, a third boy came back. He held out a cottonwood spray.

"Good," said the Chief, "you got up as far as the springs."

A longer wait – and there came a boy with some buckthorn. The Chief smiled when he saw it, and spoke: "You were climbing. You were up to the first slide rock."

Later in the afternoon, one arrived with a cedar sprig, and the old Chief said: "Well done, my boy. You went half way up."

An hour afterwards, one came back with a branch of pine. To him the Chief said: "Good; you went to the third belt. You made three quarters of the

climb. Keep on trying. Next year you will undoubtedly reach the top."

The sun was low in the sky when the last boy returned. He was a tall, splendid boy of noble character; all knew he was marked for adventure and certain leadership. He approached the Chief and held up his hand. It was empty. But his countenance was radiant as he spoke: "My father, there were no trees where I got to - I saw no twigs, no living thing upon the peak. But far and away I saw the shining sea."

Now the old man's face glowed, too, as he said aloud, and almost sang: "I knew it! I knew it when I looked upon your face. You have been to the top. It is written in your eyes and rings in your voice; it is vibrant in your frame. My boy, you need no twigs for token; you have felt the uplift, you have seen the glory of the mountain."

Eagle Board of Review

Candidate Preparation

After a Scout has completed the requirements for the Eagle Scout Rank, he appears before a Board of Review. The Board of Review for the Eagle Scout Rank is different from the other Boards of Review in which the Scout has participated. The members of the Board of Review are not from his Troop Committee. The purpose of the Board of Review is to determine if the candidate has fulfilled all the requirements for the Eagle Rank, to get to know the candidate and his character attributes, understand the Scout's full Scouting experience, and how others can have similar meaningful Scouting experiences. The contents of the Eagle Board of Review are confidential and the proceedings are not to be disclosed to any person who is not a member of the Board of Review.

Members of the Eagle Board of Review can ask a wide variety of questions. There is no set list of questions to be asked, rather the Scouts' experiences will guide the type of questions that will be asked. Holding practice boards of reviews is not recommended by BSA and should be discouraged by the Units. In fact there is a BSA policy, paragraph 8.0.1.0, in the Guide to Advancement that states:

"The BSA discourages mock or practice boards of review. "Practice" reviews may imply that board members will ask predetermined questions or that the board of review is anticipated to be other than a positive experience. Instead, the advancement committee should aim for unrehearsed, spontaneous answers revealing character, citizenship, and personal fitness at the boards of review."

Please remember that the Eagle Board of Review is the Eagle Candidates' special opportunity to shine. Encourage them to be outgoing, upbeat, have a positive attitude and relax. This is an experience they will remember for the rest of their lives.

If you have questions or need more information please contact the Orange Frontier Advancement team at advancement@orangefrontier.org or Contact **Chris Hess**, Advancement Committee Chair, at hessc41@hotmail.com

The Unit Commissioner A Unit's Best Friend

Commissioners are knowledgeable Scouters that are willing to share their expertise, resources and time with other Scouters to help the Packs, Troops, Teams, Crews and Ships that are chartered in our District. They are passionate about Scouting and want local units to succeed.

If you are interested in being a Unit Commissioner in Orange Frontier District please contact **Debbie Lewicki**, District Commissioner, at debratjayne@gmail.com.

NOTE: Fliers for each of the training opportunities maybe found on the Council Website under each training course menu item @ <http://training.counciltraining.net/node/25>

BSA has added the following courses to their MyScouting, E-Learning site – <http://www.myscouting.org/>

Climb On Safely
Trek Safely
This Is Scouting - Replaces New Leader Essentials

If you have already taken New Leader Essentials, it is not necessary to take "This is Scouting". You only need to take either one, once in your Scouting career.

Youth Protection Training (YPT) (Renew Every 2 Years Now)

The Orange Frontier Training Team recommends taking your 1st YPT or VYPT in a class room environment and renewing either via class room or online.

Orange Frontier District Training Spotlight

This is an important note regarding changes in Adult Leader training. The Orange County Council has decided to adopt an **"All registered leaders must be trained policy for 2016"**. What this means to you is that, if you are not trained for your position you will be removed from your unit's charter for 2016. In order to return to your unit's roster you will need to be fully trained and re-register. It also means that if you do not have the appropriate

leadership and committee members trained your unit may lose its charter!

As Scouters we all know that having trained leaders is a key to a great program. Please help us fulfill our promise to our youth by getting trained. The OFD training team is most willing to help you achieve your units training goals in hope that no one is dropped from your roster!

Please do your part and support these training changes. These training changes will strengthen our Scouting program and will benefit our youth by making it a safer, more challenging and more memorable experience for them. Training will also improve the quality of the programs and activities delivered to the youth, increase participation of youth in all activities and increase retention of youth in the Scouting program. After all, **every Scout deserves a trained leader.**

For more information on training Adult Leaders please contact **James Payne** 714.883.7690 or districtchair@orangefrontier.org

NOVA Awards

The Boy Scouts of America has introduced a new program to enhance science, technology, engineering and math (STEM) knowledge and experience for our Scouts. This new program is called the NOVA Awards program and is available for Scouts at all levels except Tiger Scouts. Cub Scouts (including Webelos), Boy Scouts and Venturers can now earn 4 NOVA awards, one each for science, technology, engineering and math. Advanced awards called SuperNOVA Awards can also be earned. Scouts will work with NOVA Counselors and SuperNOVA Mentors to complete requirements for each award.

For more information on award requirements and NOVA Counselor and SuperNOVA Mentor guidelines visit the website www.scouting.org/stem or purchase the NOVA Guidebooks at the Scout Shop.

Remember that Scouting is ¾ Outings

I am sure you have heard the old saying that Scouting is ¾ Outings but what does that actually mean? It means that you as adult leaders need to support our youth to get them outdoors to visit mother-nature, whether it is camping, backpacking, canoeing, swimming, cycling or rock climbing. Not only are these activities fun and adventurous but they can be challenging and educational as well. Youth learn more about themselves and their friends when they are

outdoors. They become more socially adept and gain confidence in themselves as they work together to accomplish tasks. The outdoors is a great place to learn and practice teamwork and leadership skills. Outdoor activities also present great opportunities to practice first aid skills, improve cooking abilities and enhance the use of map and compass. Let's not forget the benefit of all that physical activity. Lastly, what is more rewarding after an adventurous day than sitting around a nice warm campfire roasting marshmallows and telling stories and jokes until the embers burn down to ash.

Roundtable Commissioner's Corner Scheduled Roundtable Breakouts:

**Support Roundtable by
Attending Roundtable!**

Come to Roundtable and meet with your Unit Commissioner or just come for the fellowship. Meet other leaders in the district and see what they're doing, where they're going and how they provide and present the program to keep our youth in Scouting.

The entire Roundtable Staff appreciates and thanks everyone for supporting us with your attendance and look forward to seeing you each and every month because you know the **"SYSTEM"---See You Second Thursday Every Month.**

Roundtable Breakouts

Don't forget to bring your friends from your Pack, Troop or Crew to Roundtable. Something is offered for everybody. There are usually several Breakout Sessions after the regular program that cover a wide range of topics. This is a great time to share ideas, learn new things and meet new

people. Also if there is something that you want to learn more about, let us know. We will try and schedule these Breakout Sessions to meet your needs. See you there.

Also if there is something that you want to learn more about, let us know. We will try and schedule these Breakout Sessions to meet your needs. See you there.

Boy Scouts Roundtable

Roundtable is open to all adults involved with the Boy Scout program. Registered Troop leaders are especially encouraged to attend. Roundtable provides a forum for adults involved as leaders in the Boy Scout program to:

- Discuss topics of interest, both formally and informally.
- Learn about upcoming District and Council events and programs.
- Meet and exchanges ideas with other leaders from the Orange Frontier District.

Roundtable exists to help the units deliver a quality program to their Scouts. For this to happen, we need to know what topics you want to discuss.

You Make a Difference

There are hundreds of thousands (millions) of boys around the world who can benefit from the Scouting experience. We can't reach them all, but even within our own groups we see our task overwhelming, not making any difference. However, to that one boy in your den, pack,

troop or post who looked to you as a role model, a friend, an inspiration (even if he never told you) you've made a difference!

You Do Make A Difference -- in making our world a better place to be....*One Boy At A Time!*

New Religious Emblems Coordinator Positions

BSA has created new Religious Emblems Coordinator positions at the Council, District and Unit levels. The main purposes of these positions are to encourage all youth to earn the emblem of their faith, promote religious emblems usage, and establish goals and track the number of religious emblems completed each year. Volunteers for these positions don't have to be theologians, just a parent or a leader with a passion for helping Scouts grow in knowledge and love of their faith.

For more information please visit www.praypub.org/rec. For more information about Scouting's religious awards program and Duty to God, please visit: www.scouting.org/scoutsources/Awards/ReligiousAwards.aspx

Please contact **Marty Cutrone**, Director of Strategic Alliances at martyc@ocbsa.org if you have questions

Leave No Trace

As we prepare for a great summer full of outdoor activities let us remember the principles of the Leave No Trace Program. Leave No Trace is the nation's official wilderness ethics program. Leave No Trace is a partnership that includes four federal agencies (US Forest Service, National Park Service, Bureau of Land Management and US Fish and Wildlife Service), educational programs and youth organizations such as the Boy Scouts of America. BSA has adopted this program as an important educational tool for guiding its members in appropriate ways to use and protect the outdoors. The program is managed by a nonprofit organization called Leave No Trace, Inc.

Leave No Trace is the practice of traveling and camping with care when visiting wildlands. It requires that we deliberately plan and guide our outdoor experiences so that we do not harm the environment or disturb others. The principles of Leave No Trace are summarized as follows:

1. Plan ahead and prepare.
2. Travel and camp on durable surfaces.

3. Dispose of waste properly.
4. Leave what you find.
5. Minimize campfire impacts.
6. Respect wildlife.
7. Be considerate of other visitors.

There is a Leave No Trace Awareness Award Patch that Scouts can earn by completing the following requirements:

- Recite and explain the principles of Leave No Trace.
- On 3 separate camping/backpacking trips demonstrate and practice the principles of Leave No Trace.
- Earn the Camping and Environmental Science merit badges.
- Participate in a Leave No Trace related service project.
- Give a 10 minute presentation on a Leave No Trace topic approved by your Scoutmaster.
- Draw a poster or build a model to demonstrate the differences in how we camp or travel in high use and pristine areas.

Orange Frontier High Adventure Training

Rock Climbing to New Heights

Orange Frontier District promotes High Adventure for the Youth served in our District. Rock Climbing is physically challenging for both youth and adults. Tom Olszewski held the position of Climbing Director for our district for many years. He has trained hundreds of volunteers to equip them for the task of providing safe High Adventure Programs to our units of Orange Frontier. Tom Olszewski a Philmont Ranch trained director who brought to these Scouters the skill and knowledge to handle a safe outing is now ready to retire and pass the reins. Tom demonstrated knot tying, anchoring systems, repelling techniques, belaying practices and equipment. Scouters learned or refreshed themselves with these skills and knowledge annually. Additionally students discussed climbing locations, equipment handling and accountability. We are seeking the right individual to take those reins and serve as our climbing director. You will need to certify one week at Philmont Training Center. If you are interested please contact James W Payne for an interview. We have a scholarship if needed to get you to Philmont. While experience is not required, it is beneficial. Age requirements of someone over age 21. We do expect a two year commitment.

If your Troop wants a Rock experience you can contact one of these trained Scouters to arrange an outing and Merit Badge session.

Journey to Excellence Scouting's Quality Improvement Program

The **Journey to Excellence** is BSA's performance recognition program designed to encourage and reward success and measure the performance of our Packs, Troops, Teams and Crews.

The Journey to Excellence program is a continuous quality improvement tool to be used by all Units. For each Unit

there is a framework presented as a series of goals, which serves as a method for evaluating your Units performance. The goals assess the Units performance in key areas that include advancement, camping, service projects, training, membership, retention, leadership, budget, etc. These areas have been selected because they are indicators of Unit strength and health. In each of these areas the Units performance is rated as Bronze, Silver or Gold or did not meet the minimum standard. Points are assigned for each goal for achieving Bronze, Silver and Gold levels. The more important goals have higher point values. The points are then added up to determine the Units total score and overall rating. Packs must achieve 525 points for the Bronze level, 800 points for the Silver level and 1050 points for the Gold level. Troops must achieve 525 points for the Bronze level, 750 points for the Silver level and 1000 points for the Gold level. Crews must achieve 550 points for the Bronze level, 800 points for the Silver level and 1100 points for the Gold level. All materials can be found at www.scouting.org/volunteer and click on Scouting's Journey to Excellence found under quick links.

Each Unit should set its goals while re-chartering so that they are in place at the beginning of the year and then review their progress throughout the year. This will provide guidance for the Units and hopefully continuous improvement in areas where they might strive to do better. It also provides recognition for good performance. Recognition items will be provided.

Orange Frontier District and Orange County Council also have a Journey to Excellence program to help in evaluating their performance. Goals are similar in nature but pertain to their operations and responsibilities.

Please remember that better Unit, District and Council performance means better Scouting for our youth. We are building a better Scouting program for more Scouts.

Amazon.com Supports Scouting

As if you needed another excuse to shop at Amazon.com. Now every purchase you make from the Earth's biggest online store can support the charity of your choice, including Scouting. Through its new Amazon Smile program, Amazon will donate 0.5 percent of the price of your eligible purchase to the 501(c)(3) public charitable organization of your choice. Sure, half a percent isn't much and won't replace your Friends of Scouting contributions that help Scouting function in your community. But it adds up, costs you nothing and is a great additional way to support Scouting. The one-time setup takes just a couple of seconds, and you get the same prices, products and service you're used to when shopping at Amazon. It doesn't cost you any extra; the only difference is now you're helping Scouting every time you buy. The set up steps are simple:

1. Go to smile.amazon.com
2. Sign in using your normal login.
3. Search for Boy Scouts of America.
4. Find your local Council.
5. Check the top left corner.
6. Double check that the products you are buying are eligible.
7. Check out.

The Boy Scouts of America's National Council and its nearly 300 local Councils all are eligible charities. Remember, do a good turn for Orange County Council when you shop on Amazon.

Orange Frontier District Staff Is Here to Help You

Scouters

Packs, Troops and Crews in four primary areas.

Everyone has a friend in Scouting. Scouting is the world's greatest program with the world's greatest people. The Orange Frontier District Staff is proud to support 70 Units with almost 1800 registered Scouts meeting a wide array of needs. OFD is staffed with some of the most experienced in the Council who are here to support all

Most Scouters can easily relate to the **Program and Activities** area. District Programs and Activities directly engage our youth in quality events such as the Pinewood Derby, Camp-O-Ree, Webelos-Ree, Cub Day Camp, and Webelos Woods. These outdoor events help our youth develop skills, promote leadership and teamwork, provide physical activity and create hours of endless fun. Training opportunities are also provided for adult leaders.

Membership and Recruiting volunteers help to keep our Units strong and provide growth opportunities in our local community. Spring and Fall recruiting assistance is provided to help Units maintain their strength. Support and organizational help is provided to struggling Units that need to restart. New Units are organized to meet the needs of youth in the community. Relationships are cultivated with potential chartered organizations in the community.

The **Finance** area provides a means of monetary support for the Units, the District and the Council. Since BSA is a non-profit organization funds need to be raised by volunteers to provide support. The Friends of Scouting campaign raises funds to help ensure that we have strong facilities available for use with our Scout activities. Popcorn sales, Scout-O-Rama ticket sales, and Scout-O-Rama Souvenir Program Ads (SPA) provide a means for Packs, Troops, and Crews to fundraise as well as support the local Council facilities.

The **Commissioner Staff** is the customer service branch of the District. Unit Commissioners provide information exchange, give assistance with Unit rechartering, help Units to achieve Centennial Quality Unit status and assist in problem solving. Roundtable Commissioners provide monthly supplemental programs and training for all Pack, Troop and Crew adult leaders. Roundtable is also information central as fliers are available for all events and activities.

All of these areas work together in a uniquely balanced way to provide a quality Scouting experience for our youth. Strong **Membership** creates strong **Programs** and together they generate volunteer Leadership with **Customer Service** and **Financial** support. A special relationship is developed among volunteers in our District Staff and we would like to keep this spirit alive for future generations of Scouts. If you would like more information on how District Staff can serve you, please feel free to contact any of our Key 3 Leaders: James Styczynski, District Executive, at james@ocbsa.org or James Payne, District Chairperson, at jwpayne2@mail.com or Debbie Lewicki, District Commissioner, at debratjayne@gmail.com .
