District Chair's Corner

Summer is upon us and most of our youth are out of school. Family vacations are planned and enjoyed. In the Boy Scouts many troops plan their summer camps. There is a lot of fun and leisure time to relish.

June also brings with it a time to honor the men and fathers in our lives with Father's Day. The nation's first Father's Day was celebrated on June 19, 1910, in the state of Washington. However, it was not until 1972.....58 years after President

Woodrow Wilson made Mother's Day official.....that the day honoring fathers became a nationwide holiday in the United States.

I am sure that many of us cherish fond memories of the men who made a difference in our lives. I personally am so grateful for my late father who was always there for me and loved me unconditionally. It always brings a huge smile to me to think of him and what a special man he was. Someone said, "Any man can be a Father. It takes someone special to be a Dad."

In the Orange Frontier District we have so many "special Dads" who not only care for, guide, and

teach their own sons and daughters but who do that and all of the extra things for members of their scouting units.

On behalf of the Orange Frontier District Committee I thank all of the men for their valiant and important service to the BSA. Have a very Happy Father's Day!

Support Scouting and help develop our future leaders

Yours in Scouting,

Rick Nitta

Orange Frontier New District Commissioner

Meet **Tom Miller**, our new District Commissioner!

Tom has been active in scouting for since he was a Bear Scout in the San Gabriel Valley Council. As a youth in the Los Angeles Area Council, he earned his Eagle, served on camp staff, and was recognized as a Vigil Honor member of OA.

As the representative to the OCC High Adventure team from the Santiago District in the late 70's, he attended Wood Badge at Camp Ahwahnee. After graduating from UCI, he left Orange County for Chicago to earn an MBA. While working in the Windy City, he served as a Mate in one of the oldest Sea Scout Ships in the country, the SES Privateer out of the Chicago Yacht Club.

After returning to OC in 1989 with his wife Karen, he was soon asked to serve as Program Chair in El Capitan and Vigil Advisor to Maga Chapter. When his oldest son (David) turned 6, they began looking for Packs to join and eventually joined Pack 4. Tom later became Cubmaster and eventually bridged with sons into Troop 4, where he serves as an Assistant Scoutmaster. All three of his sons (David, Jon & Sam) are Eagle Scouts as well.

Tom is an educator and trainer, teaches part-time at CSUF in the Entrepreneurship Program and served on several Wood Badge Courses, culminating in his serving as Scoutmaster (Course Director) for W4-39-15-1 with the theme *Passion Precedes Performance*.

This summer he will be attending the National Jamboree as coordinator for the Game Design MB booth, a badge that he helped create.

Tom can be reached at occnslt@gmail.com or 714.746.5235.

2017 Campaign

In the first few months of the year, the Orange County Council conducts the annual giving campaign: Friends of Scouting. This is an opportunity to show your financial support to Scouting. You will probably see a speaker at one of your meetings soon to talk about Friends of Scouting and ask for your support. Please consider a gift at that time. While your unit probably does fundraisers to help your programs, the Council also needs your support to continue to offer the programs that supplement your units programs. It costs Orange County Council about \$300 a year for every Scout in the program. This means that Scouts have the opportunity to attend programs at the Newport Beach Sea Base, Oso Lake, Lost Valley and the Outdoor Education Center. Adult Leaders have excellent training opportunities, professional support, and resources. Friends of Scouting also helps to support less fortunate youth through scholarship programs. Your gift to the campaign is

priceless when you think about the life or lives your support will be touching. Consider the opportunities your son has had, and give a gift that will ensure those opportunities for him and hopefully for other youth as well in the future. Thank you for your support.

BSA Eliminates Tour Plans Effective April 1, 2017

Effective April 1, 2017 Boy Scouts of America has eliminated the Tour and Activity Plan filing requirement. The Scouting program itself has not changed and Packs, Troops, Teams and Crews still have to plan their outings and activities consistent with BSA policies. The elimination of the Tour and Activity Plan does not eliminate the need to follow the Guide to Safe Scouting, required trainings, and planning and preparation for each scheduled activity. The new *Risk Management Checklist for Program Planning* has been developed to aid Units in program planning. This resource is available on line at www.ocbsa.org.

National Summertime **Pack Award Program**

Cub Scouting is a year round program, and it is the responsibility of every Cub Scout Pack to ensure quality program even during the summer months. During the summer months Cub Scouts and their families can participate in Scouting activities that are educational and fun. A full summer Pack program also keeps parents involved and provides for a strong Pack. Participating in Summertime activities also gives the Cub Scouts, their Den and the Pack the opportunity to earn the **National Summertime Pack Award**.

To qualify for the National Summertime Pack Award all the Pack has to do is plan and conduct a monthly Pack activity in June, July and August. Popular summertime activities include visiting parks, zoos, amusement parks, museums, historical sites and local governmental offices. Also remember that beach outings, fishing, hiking, baseball games, train rides, picnics and cookouts are also fun activities.

Recognition for participating in the National Summertime Award program includes:

- Each Scout who takes part in three monthly activities will receive a pin.
- Each Den that has 50% or more Scouts participating in three monthly activities will earn a Den ribbon.
- Each participating Pack will receive an attractive streamer for the Pack flag and a certificate of achievement.

Awards can be applied for immediately after the August activity has been completed. Fill out an application and submit it to the Council Office. Plan your summer activities now.

Jamboree on the Air

Jamboree on the Air (JOTA) is being held October 20-22 and is an annual event in which about 1,000,000 Scouts operating from over 11,000 stations from all over the world make contact with each other by means of amateur radio. Scouting experiences are exchanged and ideas shared, thus contributing to the world brotherhood of Scouting.

Many contacts made during JOTA have resulted in new pen pals and links between Scout Troops that have lasted for many years. To participate in JOTA Scouts first need to contact a properly licensed amateur radio operator for help in getting on the right frequencies. All radio operators must operate their stations strictly in accordance with national licensing regulations.

To initiate a contact the station operators call out "CQ Jamboree" or answer another Scout station making a similar call. It is recommended that stations use the agreed upon World Scout frequencies such as:

- | | |
|---------------|---|
| K2BSA | Boy Scouts of America, Dallas, TX |
| JA1YSS | Boy Scout of Japan, Tokyo, Japan |
| GB2GP | Gilwell Park, London, United Kingdom |
| HB9S | World Scout Bureau, Geneva, Switzerland |
| XE1ASM | Boy Scouts of Mexico |

Also during the same October 20-22 weekend Scouts will be able to participate in the World Scout Jamboree on the Internet (JOTI). Most of the communication will take place via e-mail and in a chat network called the Internet Relay Chat (IRC). For more information on how to participate in JOTI access www.scout.org/joti.

Changes In Advancement

Be prepared and know the 13 biggest changes to advancement for Cub and Boy Scouts. Here is a link to download the new guide: <http://blog.scoutingmagazine.org/2015/04/23/2015-guide-to-advancement-out-now-here-are-13-of-the-biggest-changes/>

What is changing in Boy Scouting? The Scout Spirit requirement for each rank starting with Tenderfoot is expanding to have the Scout describe how he has done his duty to God. (The new requirements will be released at the National Annual Meeting in May.)

When will the new Boy Scout requirements take effect? Jan. 1, 2016. Find more information about the transition plan and requirements at scouting.org/programupdates.

How can I evaluate a Scout for duty to God, especially if he and I have different beliefs? Consider asking him how his family or faith group defines duty to God and how he is living up to that definition. Remember that the focus is on the Scout's understanding of duty to God, not the leader's. Also, keep in mind that duty to God will be only one part of the Scout Spirit requirement.

Do boys have to earn the religious emblem for their faith? No. Not every youth is a member of a faith group, and not all faith groups offer religious emblems. Earning one is not a requirement.

As the BSA's Declaration of Religious Principle states, "The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing an obligation to God and, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and organization or group with which the member is connected shall give definite attention to religious life."

Please contact the advancement team via email if you have questions: advancement@orangefrontier.org

Arrow of Light Transition to Boy Scout Questions You Should Ask

The world of Boy Scouting is packed with fun and excitement with activities like camping, hiking, backpacking, swimming, canoeing, sailing, fishing, archery, shotgun shooting, rock climbing and much, much more. It should be the goal of every Cubmaster, Arrow of Light Den Leader and Parent to graduate every Arrow of Light Scout into a Boy Scout Troop. The best way to learn about the local Troops is to visit them and see how they operate. Here is a list of questions you can ask when you visit.

1. Where and when do you meet?
2. How big is your Troop?
3. Is there a published Troop roster?
4. Who is in your Troop (any friends)?
5. Is there a published Troop calendar?
6. What kind of outings (backpacking, hiking, car camping, etc.) do you go on?
7. How often do you go on outings?
8. Where and when are you going to summer camp?
9. Do you have a Troop meeting program?
10. Is the Troop run by youth or adults?
11. Is there good Scout skills instruction for new Scouts?
12. Is the Patrol method used?
13. How are Patrols organized?
14. Is there strong Patrol activity?
15. How many adult leaders are there?
16. Are the adult and youth leaders trained?
17. Is there a Troop newsletter?
18. What are the dues?
19. What is the Troop uniform?
20. What is the advancement record of the Troop?

After your visit ask yourself, *Did I feel welcome?*

After your visit ask your son, *How do you feel about this Troop?*

For more information on local Boy Scout Troops contact Alvin Phan at 714-546-8558 x183 or e-mail alvinp@ocbsa.org .

BSA Adopt-a-School

The BSA® Adopt-a-School Program offers volunteer services that meet the school's needs. The Adopt-a-School program is an exciting and comprehensive undertaking that will connect Scout packs, troops and crews across the country with schools in their communities. Participating Scouts then work, within clearly defined guidelines, to partner with school administrations and offer the volunteer services that most efficiently meet their school's needs. With each unit offering their school a minimum one-year commitment, meaningful community relationships are built and significant changes will happen in the schools.

The hope at the heart of Adopt-a-School is to build strong, sustaining relationships with these schools... creating thousands of lasting community partnerships across the U.S. Through committed volunteer efforts – from landscaping and clean-up outside the school building to Scouts' active participation in school events throughout the year – the BSA® will become a defined presence in improving our nation's schools.

The program is open to Cub Scout Packs, Boy Scout Troops and Venturing Crews.

15-Passenger Van Usage Policy Change

Effective September 1, 2015, the use of 15-passenger vans manufactured before 2005 will no longer be allowed in connection with Scouting programs and activities. Fully loaded 15-passenger vans, like the ones you might use to haul a bunch of Scouts to camp, can be more dangerous than you might think. The National Highway Transportation Safety Administration says 15-passenger vans with 10 or more occupants are three times more likely to roll over than ones carrying fewer than five passengers.

Any 2005 or later 15-passenger vans may be used if equipped with Electronic Stability Control and seat belts for all passengers including the driver.

This applies to all vehicles, regardless of ownership. For more information, please refer to [the Guide to Safe Scouting](#).

Sweet Sixteen of BSA Safety

As an aid to protect participants in Scout activities, the BSA National Health & Safety Committee and the Council Services Division of the BSA National Council have developed the "Sweet Sixteen" of BSA safety procedures for physical activity. These 16 points are summarized as follows:

1. QUALIFIED SUPERVISION - Every BSA activity should be supervised by a conscientious adult who understands and knowingly accepts responsibility for the well-being and safety of the children and youth in his or her care. The supervisor should be sufficiently trained, experienced and skilled in the activity to be confident of his/her ability to lead and to teach the necessary skills and to respond effectively in the event of an emergency. Field knowledge of all applicable BSA standards and a commitment to implement and follow BSA policy and procedures are essential parts of the supervisor's qualifications.

2. PHYSICAL FITNESS - For youth participants in any potentially strenuous activity, the supervisor should receive a complete health history from a health care professional, parent or guardian. Adult participants and youth involved in higher-risk activity (e.g., scuba) may require professional evaluation in addition to the health history. The supervisor should adjust all supervision, discipline and protection to anticipate potential risks associated with individual health conditions. Neither youth nor adults should participate in an activity for which they are unfit. To do so would place both the individual and others at risk.

3. BUDDY SYSTEM - The long history of the "buddy system" in Scouting has shown that it is always best to have at least one other person with you and aware at all times as to your circumstances and what you are doing in any outdoor or strenuous activity.

4. SAFE AREA OR COURSE - A key part of the supervisor's responsibility is to know the area or course for the activity and to determine that it is well-suited and free of hazards.

5. EQUIPMENT SELECTION AND MAINTENANCE - Most activity requires some specialized equipment. The equipment should be selected to suit the participant and the activity and to include appropriate safety and program features. The supervisor should also check equipment to determine that it is in good condition for the activity and is properly maintained while in use.

6. PERSONAL SAFETY EQUIPMENT - The supervisor must ensure that every participant has and uses the appropriate personal safety equipment. For example, activity afloat requires a PFD properly worn by each participant; bikers, horseback riders, and whitewater kayakers need helmets for certain activity; skaters may need protective gear; and all need to be dressed for warmth and utility depending on the circumstances.

7. SAFETY PROCEDURES AND POLICIES - For most activities there are common sense procedures and standards that can greatly reduce the risk. These should be known and appreciated by all participants, and the supervisor must ensure compliance.

8. SKILL LEVEL LIMITS - There is a minimum skill level requirement for every activity, and the supervisor must identify and recognize this minimum skill level and be sure that none are put at risk by attempting activity beyond their ability. A good example of skill levels in Scouting is the venerable swim test which defines conditions for safe swimming based on individual ability.

9. WEATHER CHECK - The risk factors in many outdoor activities vary substantially with weather conditions. These variables and the appropriate response should be understood and anticipated.

10. PLANNING - Safe activity follows a plan that has been conscientiously developed by the experienced supervisor or other competent source. Good planning minimizes risks and also anticipates contingencies that may require emergency response or a change of plan.

11. COMMUNICATIONS - The supervisor needs to be able to communicate effectively with participants as needed during the activity. Emergency communications also need to be considered in advance for any foreseeable contingencies.

12. PLANS AND NOTICES - BSA tour and activity plans, council office registration, government or landowner authorization, and any similar formalities are the supervisor's responsibility when such are required. Appropriate notification should be directed to parents, enforcement authorities, landowners, and others as needed, before and after the activity.

13. FIRST AID RESOURCES - The supervisor should determine what first aid supplies to include among the activity equipment. The level of first aid training and skill appropriate for the activity should also be considered. An extended trek over remote terrain obviously may require more first aid resources and capabilities than an afternoon activity in the local community. Whatever is determined to be needed should be available.

14. APPLICABLE LAWS - BSA safety policies generally parallel or go beyond legal mandates, but the supervisor should confirm and ensure compliance with all applicable regulations.

15. CPR RESOURCE - Any strenuous activity or remote trek could present a cardiac emergency. Aquatic programs may involve cardiopulmonary emergencies. The BSA strongly recommends that a CPR-trained person (preferably an adult) be part of the leadership for any BSA program. Such a resource should be available for strenuous outdoor activity.

16. DISCIPLINE - No supervisor is effective if he or she cannot control the activity and the individual participants. Youth must respect their leader and follow his or her direction.

You Make a Difference

There are hundreds of thousands (millions) of boys around the world who can benefit from the Scouting experience. We can't reach them all, but even within our own groups we see our task overwhelming, not making any difference. However, to that one boy in your den, pack, troop or post who looked to you as a role model, a friend, an inspiration (even if he never told you) you've made a difference!

You Do Make A Difference -- in making our world a better place to be....*One Boy At A Time!*

Volunteers Always Needed

If you would like to have fun with a great group of people why don't you join us on the Orange rontier District Staff. Campfire Story

Life Under the Sea

What is life like under the sea? This is an age old question dating back to the origins of time. Is it a dogfish eat dogfish world? Or perhaps is everyone an angel fish? Is everyone united for a common porpoise? Or do they split off into their own special groupers? Well, here is one tragic story that indicates it's not so perfect under the waves.

There once was a brilliant sturgeon on the medical staff of the community health fishility. He was in fact one of it's esteemed flounders. He had degrees from only the best schools. Wiser than a salmon and a fin fellow who would never shrimp from his responsibilities, he was successful and happy and always whistled a happy tuna.

Then one day one of his crabby patients, a mere whipper snapper, started trouting around telling everyone that the sturgeon's treatments had made him very eel and then conked him with a malpractice suit.

"Kelp, kelp," he cried as they carried him off to the sand bar where the judge presided. The sturgeon was in a real pickerel now. The medical board waved him off the staff and demanded his oyster. The tide had turned and he had to scale back his operations.

Cod this be the end of a whale of a career for this sturgeon? I don't think so. Fortunately the case smelt to high heaven and the judge denied the plaintiff's clam.

The medical board wanted to hire the sturgeon back but couldn't find him anywhere. He had sunk to a new low at the bottom of the ocean. What's really shad about this story is that the sturgeon ended up on squid row.

Advancement & Board of Review

The Boy Scouts of America provides recognition for Scout achievements. The advancement program allows Scouts to progress from rank to rank. A fundamental purpose of advancement is the self-confidence a young man acquires from his participation in a Troop. Requirements serve as the basis for a Boy Scout's rank advancement. The four steps to advancement are learning, testing, reviewing, and recognition. Many Scouts have been introduced to a lifelong hobby or rewarding career through the merit badge program. Merit badges help Scouts develop physical skills, social skills, and self-reliance.

What to bring to the Board of Review for Eagle Rank:

1. TWO copies of your completed Eagle Project workbook with signatures. A simple copy in a report folder is fine. 3 ring binders are not necessary.
 - Bring your original Eagle Project Workbook for you to refer to. (All should have the proposal, plan, and report).
2. Scout book to be signed off. Lost? Please don't panic. We can work with what has already been documented at the council. Just let us know ahead of time.
3. A unit leader to present/support you and family members.
4. A cheerful attitude. Congratulations!

Note: It is the mission of this board to be helpful, friendly, courteous, and kind. We are in the service of scouting with the Guide to Advancement as our guide. We will work with the candidates to the best of our ability to see them succeed.

As an example, the scout should present himself in a neat and clean manner. There is no need to buy another uniform if he has outgrown his, just for the Board of Review.

Please do not hesitate to contact me or a member of the District Advancement Committee with any other specific questions.

Orange Frontier District Training Spotlight

This is an important note regarding changes in Adult Leader training. The

Orange County Council has decided to adopt an **"All registered leaders must be trained policy for 2017"**. What this means to you is that, if you are not trained for your position you will be removed from your unit's charter for 2017. In order to return to your unit's roster you will need to be fully trained and re-register. It also means that if you do not have the appropriate leadership and committee members trained your unit may lose its charter!

As Scouters we all know that having trained leaders is a key to a great program. Please help us fulfill our promise to our youth by getting trained. The OFD training team is most willing to help you achieve your units training goals in hope that no one is dropped from your roster!

Please do your part and support these training changes. These training changes will strengthen our Scouting program and will benefit our youth by making it a safer, more challenging and more memorable experience for them. Training will also improve the quality of the programs and activities delivered to the youth, increase participation of youth in all activities and increase retention of youth in the Scouting program. After all, **every Scout deserves a trained leader.**

For more information on training Adult Leaders please contact Kathy Hight, OFD Training Chair at khight314@gmail.com.

NOVA Awards

The Boy Scouts of America has introduced a new program to enhance

science, technology, engineering and math (STEM) knowledge and experience for our Scouts. This new program is called the NOVA Awards program and is available for Scouts at all levels except Tiger Scouts. Cub Scouts (including Webelos), Boy Scouts and Venturers can now earn 4 NOVA awards, one each for science, technology, engineering and math. Advanced awards called SuperNOVA Awards can also be earned. Scouts will work with NOVA Counselors and SuperNOVA Mentors to complete requirements for each award.

For more information on award requirements and NOVA Counselor and SuperNOVA Mentor guidelines visit the website www.scouting.org/stem or purchase the NOVA Guidebooks at the Scout Shop.

Remember that Scouting is $\frac{3}{4}$ Outings

I am sure you have heard the old saying that Scouting is $\frac{3}{4}$ Outings but what does that actually mean? It means that you as adult leaders need to support our youth to get them outdoors to visit mother-nature, whether it is camping, backpacking, canoeing, swimming, cycling or rock climbing. Not only are these activities fun and adventurous but they can be challenging and educational as well. Youth learn more about themselves and their friends when they are outdoors. They become more socially adept and gain confidence in themselves as they work together to accomplish tasks. The outdoors is a great place to learn and practice teamwork and leadership skills. Outdoor activities also present great opportunities to practice first aid skills, improve cooking abilities and enhance the use of map and compass. Let's not forget the benefit of all that physical activity. Lastly, what is more rewarding after an adventurous day than sitting around a nice warm campfire roasting marshmallows and telling stories and jokes until the embers burn down to ash.

The Unit Commissioner A Unit's Best Friend

Commissioners are knowledgeable Scouters that are willing to share their expertise, resources and time with other Scouters to help the Packs, Troops, Teams, Crews and Ships that are chartered in our District. They are passionate about

Scouting and want local units to succeed.

If you are interested in being a Unit Commissioner in Orange Frontier District please contact **Tom Miller**, District Commissioner @ occnslt@gmail.com.

Roundtable Breakouts

Don't forget to bring your friends from your Pack, Troop or Crew to Roundtable. Something is offered for everybody. There are usually several Breakout Sessions after the regular program that cover a wide range of topics. This is a great time to

Boy Scouts Roundtable

Roundtable is open to all adults involved with the Boy Scout program. Registered Troop leaders are especially encouraged to attend. Roundtable provides a forum for adults involved as leaders in the Boy Scout program to:

- Discuss topics of interest, both formally and informally.
- Learn about upcoming District and Council events and programs.
- Meet and exchanges ideas with other leaders from the Orange Frontier District.

Roundtable exists to help the units deliver a quality program to their Scouts. For this to happen, we need to know what topics you want to discuss.

New Religious Emblems Coordinator Positions

BSA has created new Religious Emblems Coordinator positions at the Council, District and Unit levels. The main purposes of these positions are to encourage all youth to earn the emblem of their faith, promote religious emblems usage, and establish goals and track the number of religious emblems completed each year. Volunteers for these positions don't have to be theologians, just a parent or a leader with a passion for helping Scouts grow in knowledge and love of their faith.

For more information please visit www.praypub.org/rec.

Journey to Excellence Scouting's Quality Improvement Program

The **Journey to Excellence** is BSA's performance recognition program designed to encourage and reward success and measure the performance of our Packs, Troops, Teams and Crews.

The Journey to Excellence program is a continuous quality improvement tool

to be used by all Units. For each Unit there is a framework presented as a series of goals, which serves as a method for evaluating your Units performance. The goals assess the Units performance in key areas that include advancement, camping, service projects, training, membership, retention, leadership, budget, etc. These areas have been selected because they are indicators of Unit strength and health. In each of these areas the Units performance is rated as Bronze, Silver or Gold or did not meet the minimum standard. Points are assigned for each goal for achieving Bronze, Silver and Gold levels.

The more important goals have higher point values. The points are then added up to determine the Units total score and overall rating. Packs must achieve 525 points for the Bronze level, 800 points for the Silver level and 1050 points for the Gold level. Troops must achieve 525 points for the Bronze level, 750 points for the Silver level and 1000 points for the Gold level. Crews must achieve 550 points for the Bronze level, 800 points for the Silver level and 1100 points for the Gold level. All materials can be found at www.scouting.org/volunteer and click on Scouting's Journey to Excellence found under quick links.

Each Unit should set its goals while re-chartering so that they are in place at the beginning of the year and then review their progress throughout the year. This will provide guidance for the Units and hopefully continuous improvement in areas where they might strive to do better. It also provides recognition for good performance. Recognition items will be provided.

Orange Frontier District and Orange County Council also have a Journey to Excellence program to help in evaluating their performance. Goals are similar in nature but pertain to their operations and responsibilities.

Please remember that better Unit, District and Council performance means better Scouting for our youth. We are building a better Scouting program for more Scouts.

The Orange County Council has implemented a program that will provide you with a fast and efficient way to donate your unneeded assets and receive a tax deduction up to the fullest allowable by law.

Amazon.com Supports Scouting

As if you needed another excuse to shop at Amazon.com. Now every purchase you make from the

Earth's biggest online store can support the charity of your choice, including Scouting. Through its new Amazon Smile program, Amazon will donate 0.5 percent of the price of your eligible purchase to the 501(c)(3) public charitable organization of your choice. Sure, half a percent isn't much and won't replace your Friends of Scouting contributions that help Scouting function in your community. But it adds up, costs you nothing and is a great additional way to support Scouting. The one-time setup takes just a couple of seconds, and you get the same prices, products and service you're used to when shopping at Amazon. It doesn't cost you any extra; the only difference is now you're helping Scouting every time you buy. The set up steps are simple:

1. Go to smile.amazon.com
2. Sign in using your normal login.
3. Search for Boy Scouts of America.
4. Find your local Council.
5. Check the top left corner.
6. Double check that the products you are buying are eligible.
7. Check out.

The Boy Scouts of America's National Council and its nearly 300 local Councils all are eligible charities. Remember, do a good turn for Orange County Council when you shop on Amazon.

Orange Frontier District Staff Is Here to Help You

Everyone has a friend in Scouting. Scouting is the world's greatest program with the world's greatest people. The Orange Frontier District Staff is proud to support 70 Units with almost 1800 registered Scouts meeting a wide array of needs. OFD is staffed with some of the most experienced Scouters in the Council who are here to support all Packs, Troops and Crews in four primary areas.

Most Scouters can easily relate to the **Program and Activities** area. District Programs and Activities directly engage our youth in quality

events such as the Pinewood Derby, Camp-O-Ree, Webelos-Ree, Cub Day Camp, and Webelos Woods. These outdoor events help our youth develop skills, promote leadership and teamwork, provide physical activity and create hours of endless fun. Training opportunities are also provided for adult leaders.

Membership and Recruiting volunteers help to keep our Units strong and provide growth opportunities in our local community. Spring and Fall recruiting assistance is provided to help Units maintain their strength. Support and organizational help is provided to struggling Units that need to restart. New Units are organized to meet the needs of youth in the community. Relationships are cultivated with potential chartered organizations in the community.

The **Finance** area provides a means of monetary support for the Units, the District and the Council. Since BSA is a non-profit organization funds need to be raised by volunteers to provide support. The Friends of Scouting campaign raises funds to help ensure that we have strong facilities available for use with our Scout activities. Popcorn sales, Scout-O-Rama ticket sales, and Scout-O-Rama Souvenir Program Ads (SPA) provide a means for Packs, Troops, and Crews to fundraise as well as support the local Council facilities.

The **Commissioner Staff** is the customer service branch of the District. Unit Commissioners provide information exchange, give assistance with Unit rechartering, help Units to achieve Centennial Quality Unit status and assist in problem solving. Roundtable Commissioners provide monthly supplemental programs and training for all Pack, Troop and Crew adult leaders. Roundtable is also information central as fliers are available for all events and activities.

All of these areas work together in a uniquely balanced way to provide a quality Scouting experience for our youth. Strong **Membership** creates strong **Programs** and together they generate volunteer Leadership with **Customer Service** and **Financial** support. A special relationship is developed among volunteers in our District Staff and we would like to keep this spirit alive for future generations of Scouts. If you would like more information on how District Staff can serve you, please feel free to contact Rick Nitta, District Chairperson @ ricknitta@gmail.com, or Tom Miller, District Commissioner @ occnslt@gmail.com.
